## MAYORS ALSO EXPECTED

### **Sen. Warner to speak with NASA Langley employees Aug. 13**

Sen. John Warner (R-Va.), chairman of the Senate Armed Services Committee, will visit NASA Langley on Friday, Aug. 13, for a series of briefings and a meeting with employees.

Also expected are the mayors of Hampton and Newport News, who are leading the task force formed recently to fight proposed NASA budget cuts.

Warner will speak to employees and take questions at 1:15 p.m. in the Hangar, Building 1244, next to NASA's Boeing 757 ARIES "flying laboratory." Reporters covering the event should arrive at 1 p.m.
